WILLS & BEQUESTS

EVERYMAN'S WELFARE SERVICE

Since 1940 Everyman's Welfare Service has served members of the Australian Defence Force (ADF), their families, veterans and allies, exemplifying the Christian faith through service and care. Welfare representatives work from Recreation Centres on Bases and deploy on military exercises - supporting personnel in Australia and overseas.

Since its establishment, Everyman's has served Australian Forces in WW2, Singapore, Malaysia, Vietnam, Cambodia, East Timor and the Solomon Islands.

Everyman's is accredited by the ADF as a Philanthropic support service. For the service person, Everyman's has always been a place of encouragement and fellowship; a "Home away from Home."

To continue this ministry to future generations of the ADF, we invite your partnership through a legacy or bequest in your will. Your gift will be invested under the supervision of the Board of Directors to provide an income to continue the services provided by Everyman's to the ADF, well into the future.

This brochure provides information to assist you, however we strongly urge you to seek professional assistance for the preparation of your Will.

DO I NEED TO MAKE A WILL?

About one third of all Australians die without leaving a Will.

If you die without a Will, your assets will be distributed according to rules given in government legislation.

Dying without a Will also means you do not get to name an "executor" to look after things for you.

Making a Will in which your personal wishes are clearly articulated gives you peace of mind now - and is a blessing to those you leave behind.

It ensures your assets will benefit the people and organisations you care about. You appoint an Executor of your choice for your estate to be distributed according to your priorities.

HOW CAN I MAKE A BEQUEST?

If you would like to include a gift in your Will for Everyman's Welfare Service the following clauses are provided as guidelines for the use of your professional advisor who will adapt them for any specific requirement of your Will.

"I give and bequeath free of all duties, debts or taxes to Everyman's Welfare Service (ABN 31 000 348 550) the sum of \$_____ (or_____ percent of my estate), for the general purposes thereof, and I declare that the receipt of an authorised officer shall be a complete discharge to my Trustees therefore who shall not be bound to see to the application thereof".

If you already have a Will you simply need to add a codicil at the end. The appropriate wording is:

"This codicil dated _____ is an addition to the Will of me, (your full name). Other provisions contained in my Will are confirmed.

"I give, devise and bequeath free of all duties, debts or taxes to Everyman's Welfare Service (ABN 31 000 348 550) the sum of \$_____ (or_____ percent of my estate), for the general purposes thereof, and I declare that the receipt of an authorised officer shall be a complete discharge to my Trustees therefore who shall not be bound to see to the application thereof".
